# INTRODUCTION

Hello and thanks for downloading the Lite Version of  
**(PET)<sup>10</sup> - The Dog Edition.**

This eBook was designed to introduce you to the 10 steps required to have the perfect dog. After studying dog psychology for over 25 years, I have created a fail-proof regime that will not only bring out the best of your dog, it will do so using your dog's natural instinct.

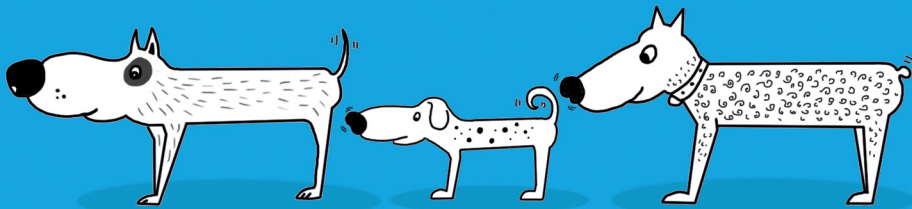

**The full version will be available for purchase in early 2016.**
